

PCI (Patient Care Inquiry)

PCI tips:

- **View only**
- **Use your arrow keys to navigate**
- **If there's no category for something, the patient has no results or data in that category**
- **Can be accessed by using the Review button on your Status Board and then PCI on the bottom menu:**

Creatinine	1.0
Estim Creat Clear Calc	91.94
Est GFR (African Amer)	> 60
Est GFR (Non-Af Amer)	> 60
Glucose	210 H
Calcium	8.4 L
